Buying Guide

89 Morgon 2009

A chewy red, with floral and ripe fruit aromatics leading to black cherry, blackberry coulis and green plum flavors. Plush and smoky, with a subtle juiciness, this should open up more with a little age. Drink now through 2015. Tasted twice, with consistent notes.

88 Régnié Château des Reysniers 2009

A light- to medium-bodied red, with a lightly fleshy texture and flavors of black cherry, violet, tea leaf and black licorice. There's a bit of tannins and plump, juicy acidity for structure, with a modest finish. Drink now.
