

Our expert lightens the mood

By Jamie Goode

Beaujolais-Villages 2015

It's gamay on steroids, with pure, concentrated black cherry and blackberry fruit, and pleasant floral overtones. There's some grainy, stony structure, too. At this stage in its life it's all about exuberant, primary fruit and it has a real deliciousness to it. Summery and bright with great focus, this is for drinking in its first flush of youth. Not a classic Beaujolais but pretty tasty in a modern style
